ST Math Reverses Statewide Declines: Students Achieve Higher Performance Levels

Control: 0 Puzzles

Treatment: ≥ 1500 Puzzles

In 2023-24, while statewide performance declined, students using ST Math consistently improved across all performance levels, demonstrating the robustness of the unique visual approach.

Students most in need demonstrated clear success using ST Math, reversing the backslide by elevating over half of the 2023 Did Not Meet students to higher levels.
